### Girls Volleyball Fundraiser

Tickets are being sold on a Towel Basket in aid of the Girls Volleyball Teams travelling to Provincials. If you would like a ticket, please see a member of the Girls Volleyball Team or call the school.

### Ticket Fundraiser and Cake Raffle

We would like to thank everyone for your support with our ticket fundraiser and our cake raffle. Both were very successful fundraisers for our children. All proceeds from these two fundraisers will be going towards student field trips and activities. We would like to congratulate Reagan Benoit in Grade 1 for selling the most tickets. Reagan selected a Walmart Gift Card for her prize.

We sold \$2033.45 in tickets for the Fit Bit Basket. Expenses were \$291.27, which included a \$25 Gift Card for the winner of the most tickets sold and \$291.27 for the Fit Bits. This gives us **\$1742.18** for our students.

Proceeds from the Cake Raffle were **\$1091.05**. This includes \$791.20 in cake raffle tickets and \$299.85 in the canteen. We would like to send a Big Thank You to the Conran Family who provided us with such amazing entertainment for the evening.

We are truly impressed by the support of our parents and community in our fundraising endeavors. We now have \$2833.23 for our student spring/year end activities.
